WORKING TOGETHER IN

UGANDA

Local partner	Role of partner	District	DCR member
CHARFOD	Providing FAL-Functional Adult literacy to various groups.	Nwoya	ZOA
Kwal Ryeko	A CBO implementing education activities under the DCR programme in 8 schools both in Angagura and Atanga (sub counties of Pader).	Pader	Save
FOKAPAWA	Is a CBO implementing education activities under the DCR programme in 17 schools in Parabongo and Lokole Sub-counties. The partner roles are limited to implementing the project in their locality by supporting the school clubs, PTA/SMC and strengthening the link between the schools, community, government, ZOA and other stakeholders in education. This is to ensure the sustainability of the project at community level through the use of the community based approaches to delivering services closer to the community.	Agago	Save
Amudat Interreligious Development Initiative (AIDI).	AIDI is an interreligious organisation in which 6 different denominations/religions are represented, including Muslim representatives. AIDI is mainly involved in community sensitisations and dialogues, especially on human rights issues. Generally, religious institutions get a positive perception when they conduct sensitisation and awareness activities around human rights and other sensitive issues.	Amudat	ZOA
Vision Care	Is a CBO implementing education and community governance projects, and also mainstreams sectoral system strengthening in Karamoja sub-region (Amudat and Nakapiripirit Districts) It has a strong presence among the Pokot Ethnic group of Amudat, and a strong focus on basic education. Vision Care also has good community network and access to vulnerable children, and its staff have undertaken training on the rights based approach. Vision Care is a shared partner between Save and ZOA, and implements all youth/children related activities with ZOA.	Amudat	Save and ZOA
Kica Ber	Is a CBO from Nwoya District specialised in livelihoods interventions and psycho social support.	Nwoya	ZOA
Acholi Education Initiative (AEI)	AEI is a non-governmental organisation established in 2011 to address the problem of education in Acholi sub-region. AEI implements education and community governance components.	Amuru/ Nwoya	Save
Voluntary Initiative Support Organisation (VISO)	VISO is responsible for implementing the livelihoods and food security component of the project in Amuru District. They also mainstream community governance and sectoral system strengthening in their programming. VISO has great community network and a vibrant Board of Directors. The organisation has diverse funding sources and functional programme management systems and policies.	Amuru/ Nwoya	Save
